

Second Amendment

[Caetano v. Massachusetts](#), 577 U.S. ____ (Mar. 21, 2016) (per curiam). The Court vacated and remanded the decision of the Supreme Judicial Court of Massachusetts, finding that court erred in interpreting *District of Columbia v. Heller*, 554 U. S. 570 (2008), to hold that the Second Amendment does not extend to stun guns. The Court began by noting that *Heller* held "the Second Amendment extends, prima facie, to all instruments that constitute bearable arms, even those that were not in existence at the time of the founding."
