

**Concord 101  
Overall Class Evaluation  
2010**

*Please complete the following evaluation to help us better prepare for next year's class.*

1. How did you find out about Concord 101?
2. Why did you decide to take the class?
3. Was Tuesday a good night to meet? Why or why not?
4. How effective was the (approximate) 6:00 – 8:30 time? Should to be extended or shortened? Should it be moved to a different time?
5. Was the length of the program (13 weeks) enough time to cover all of the topics you would like to cover or was it too much?
6. What areas not covered in this class would you like to hear more about?
7. What areas covered in the class would you like to hear more about?

8. Would you like to see presentations grouped differently or in a different order? Explain.
9. What three sessions did you enjoy the most? Why?
10. Recalling the different types of presentations by department heads, which would you say was best at communicating their department's role?
11. What type of additional supportive materials would be helpful with the presentations?
12. What sessions(s) were least enjoyable and why?
13. How did you like the location format used for the classes? Would you rather have one central meeting place?
14. Are there any departments you were not able to tour you would like to? Did we miss a department?
15. Overall, name the most significant things you learned or that made a good impression for you?
16. If you could change anything about the course, what would it be and why?

17. Overall, did the program meet you expectations?
18. Has Concord 101 motivated you to take an active role in local government, such as a desire to serve on boards or commissions?
19. If so, what are you specific interests?
20. Was you experience in the class.....
