

N.C.P.I.-Crim. 207.73  
FAILURE TO ENROLL IN A SATELLITE-BASED MONITORING PROGRAM.  
FELONY.  
GENERAL CRIMINAL VOLUME  
JUNE 2008  
N.C. Gen. Stat. § 14-208.44(a)  
-----

207.73 FAILURE TO ENROLL IN A SATELLITE-BASED MONITORING PROGRAM. FELONY.

The defendant has been charged with failing to enroll in a satellite-based monitoring program<sup>1</sup>.

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt:

First, that the defendant was ordered to enroll<sup>2</sup> in a satellite-based monitoring program.

And Second, that the defendant failed to enroll in the satellite-based monitoring program.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date the defendant was ordered to enroll in a satellite-based monitoring program and the defendant failed to enroll in the satellite-based monitoring program, it would be your duty to return a verdict of guilty. If you do not so find or if you have a reasonable doubt as to one or both of these things, it would be your duty to return a verdict of not guilty.

---

1. According to N.C. Gen. Stat. § 14-208.40(c)(1) a "satellite-based monitoring program" is a system that provides "time-correlated and continuous tracking of the geographic location of the subject using a global positioning system based on satellite and other location tracking technology."

2. N.C. Gen. Stat. § 14-208.44(d) states "enroll shall include appearing, as directed by the Department (of Correction), to receive the necessary equipment."
