

N.C.P.I.—Crim. 222.29
INJURING AN ENERGY FACILITY. FELONY.
GENERAL CRIMINAL VOLUME
OCTOBER 2023
N.C. Gen. Stat. § 20-150.2(b)

222.29 INJURING AN ENERGY FACILITY. FELONY.

The defendant has been charged with injuring an energy facility.

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt.

First, that the defendant [[destroyed] [injured] [otherwise damaged]] [attempted to [destroy] [injure] [otherwise damage]] an energy facility¹ (or) [[obstructed] [impeded] [impaired] the [services] [transmissions] of an energy facility] [attempted to [obstruct] [impede] [impair] the [services] [transmissions] of an energy facility];

And Second, that the defendant did so knowingly and willfully. Willfully means intentionally and without justification or excuse.

If you find from the evidence beyond a reasonable doubt that on or about the alleged date the defendant knowingly and willfully [[destroyed] [injured] [otherwise damaged]] [attempted to [destroy] [injure] [otherwise damage]] an energy facility (or) [[obstructed] [impeded] [impaired] the [services] [transmissions] of an energy facility] [attempted to [obstruct] [impede] [impair] the [services] [transmissions] of an energy facility], it would be your duty to return a verdict of guilty. If you do not so find, or have a reasonable doubt as to one or both of these things, it would be your duty to return a verdict of not guilty.

1. For a definition of energy facility, see N.C. Gen. Stat. § 14-150.2(a).
