INJURING TELECOMMUNICATION WIRES. FELONY.  
GENERAL CRIMINAL VOLUME  
REPLACEMENT DECEMBER 2023  
N.C. Gen. Stat. § 14-154  
-----

222.60 INJURING TELECOMMUNICATION WIRES. FELONY.

The defendant has been charged with injuring wires and other fixtures of telephone, broadband, broadcast, or cable telecommunications companies.

For you to find the defendant guilty of this offense, the State must prove two things beyond a reasonable doubt:

First, that the defendant acted willfully.

And Second, that the defendant [injured] [destroyed] [pulled down] a [[telephone] [broadband] [broadcast] [cable telecommunications [pedestal] [pole]] [[apparatus] [equipment] [fixture] used in the transmission of [telephone] [broadband] [broadcast] [cable telecommunications]] [[apparatus] [equipment] [fixture] related to [broadcast] [wireless communications] regulated by the Federal Communications Commission].

If you find from the evidence beyond a reasonable doubt that on or about the alleged date the defendant willfully [injured] [destroyed] [pulled down] a [[telephone] [broadband] [broadcast] [cable telecommunications [pedestal] [pole]] [[apparatus] [equipment] [fixture] used in the transmission of [telephone] [broadband] [broadcast] [cable telecommunications]] [[apparatus] [equipment] [fixture] related to [broadcast] [wireless communications] regulated by the Federal Communications Commission], it would be your duty to return a verdict of guilty. If you do not so find or have a reasonable doubt as to one or both of these things, it would be your duty to return a verdict of not guilty.
