PASSENGER WAS UNAWARE] —PASSENGER. MISDEMEANOR.

The defendant has been charged with removal of a vehicle from the scene of an accident resulting in [damage to property] [injury or death to any person about which the defendant did not know or have reason to know].

For you to find the defendant guilty of this offense, the State must prove five things beyond a reasonable doubt:

about the alleged date the defendant was a passenger of a vehicle that was involved in a reportable accident, that the defendant knew or reasonably should have known that the vehicle was involved in an [accident] [collision], that the accident resulted in [damage to property] [injury or death to any person about which the defendant did not know or have reason to know], and that the defendant willfully [facilitated] [allowed] [agreed to] the removal of the vehicle from the scene of the accident before a law enforcement officer had [completed the investigation of the accident] [authorized the removal of the vehicle] (without justification or excuse), it would be your duty to return a verdict of guilty. If you do not so find or have a reasonable doubt as to one or more of these things, it would be your duty to return a verdict of not guilty.

1. G.S. 20-4.01(33b) defines a "reportable crash" but does not include a definition for a "reportable accident." The Pattern Jury Committee assumes that the legislature intended the term "reportable accident" in G.S. 20-166(c) to be synonymous with the term "reportable crash" and thus uses that definition here.
